8 - CARD ^{EASY} READING

Property is on the mind of a younger woman relative you know. She is alarmed and angry about a changeover or disruption to future events. This may affect her health for a short time but this will be short lived and a successful outcome will be negotiated.

There seems to be a slight deception with someone you know and care for. Everything seems to be relaxed and peaceful for they have magnetism and capability that you trust. What is revealed is that this is in the form of a younger woman that you are attracted to, and she to you. She will leave behind her a burden that you cannot cope with and so the relationship will end justified by your knowledge.
